## Criminal Code

Enacted: 23 July 1996  
Came into effect: 1 November 1996

....

### **Manufacture and acquisition of weapons and means intended for committing a crime**

#### **Article 395**

- (1) A person who manufactures, procures or enables another to get weapons, explosive materials, or means required to manufacture them, as well as poisons for which he knows were intended for committing a crime, shall be punished with imprisonment of three months to five years.
- (2) A person who makes or gives to another a false key or some other means for breaking in, even though he knows that it is intended for committing a crime, shall be punished with imprisonment of three months to three years.
- (3) The objects from item 1 and the means for their manufacture, transfer and distribution shall be confiscated
